## Introduction

---

In response to the Covid-19 pandemic, governments at all levels across Ontario and Canada have introduced a number of important measures to ensure the safety of the general public and lessen the spread of the virus. Included are social distancing measures to ensure that individuals stay at least 2 metres apart, as much as possible, along with other measures such as wearing of masks, frequent hand washing and limiting contact with objects. Additionally, restrictions have been introduced to limit or cease some activities and businesses, where social distancing and other measures cannot be ensured.

The Barrie Men's Hockey League (BMHL) has always believed that providing competitive opportunities for adult male participants of all skill levels and abilities. Hockey provides undeniable physical and mental health benefits as well as a social opportunity for new residents to the area, as well as existing players. These beliefs remain just as true during a pandemic and while programs may need to be adapted and new measures introduced to ensure the safety of all participants, the need for and benefits of hockey do not cease to exist. For these strong reasons, the Barrie Men's Hockey League will endeavour to continue providing adult competitive hockey opportunities in Central Ontario, as long as it is safe and feasible to do so.

This document describes the approach the BMHL will take to plan and manage the 2020-2021 hockey season. This includes a description of the envisioned season structure, the measures which will be followed to ensure the safe delivery of our hockey programs and the protocols that all teams and individuals must follow in response to any Covid-19 related situations that might arise. This document will be communicated to all members before any hockey activities resume, with some specific responsibilities and procedures reinforced through additional training and communications.

The BMHL has also consulted with the City of Barrie, the Town of Innisfil, and other independently operated facilities used for BMHL activities, to ensure alignment of these protocols with their facility(s) and access protocols. Our plans and protocols, as defined in this document are informed and guided by:

- Ontario Government regulations, including "A Framework for Reopening our Province: Stage 3"  
<https://www.ontario.ca/page/framework-reopening-our-province-stage-3>
- Direction, advice, and guidance provided by the City of Barrie, the Simcoe Muskoka District Health Unit, and other relevant authorities
  - Includes the City of Barrie's Return to Facility Protocols (included as APPENDIX A)
- Protocols and guidelines provided by the Ontario Hockey Federation (OHF), and Hockey Canada, including:
  - The Ontario Hockey Federations Return to Hockey Framework:

## **Section 2: Participant & Health & Safety Protocols**

---

### **2.1 When an individual becomes unwell with symptoms of COVID-19**

- a) If an individual becomes unwell with symptoms of COVID-19, or if someone is aware of an individual that becomes unwell with symptoms of COVID-19, that individual must immediately stop participation in hockey activities. If applicable, a BMHL volunteer or facility staff, will be assigned to supervise the individual.
- b) The identified BMHL volunteer or facility staff must isolate the individual from all others, in a well-ventilated area, or outside and ensure use of a non-medical face mask, if one is available. Where possible, everyone should maintain a distance of 2 metres from the ill individual.
- c) The individual who was isolated, will be required to go home and follow public health guidelines regarding self-isolation and testing. The identified staff, or delegate, may be required to assist with contacting parent/guardian, as well as providing instruction on public health guidelines, under the direction of the SMDHU. The BMHL will be prepared to provide SMDHU details, such as phone number, website, pre-printed pamphlets or an email with instructions to the isolated individual. The BMHL will seek out the desired information that the SMDHU would like distributed, prior to our seasonal plan being implemented.
- d) The facility that the ill individual is being isolated in shall be informed, as soon as possible, in order to determine if any areas within that facility need to be closed off and/or require additional cleaning/disinfecting.
- e) The Team Representative should be informed as soon as possible. The team representative is responsible to inform the BMHL's Covid Response Oversight Group as soon as possible, by emailing the information, along with their contact information for follow-up, to [info@barriemenshockey.com](mailto:info@barriemenshockey.com). In all cases this notification must happen within 2 hours of them being informed.
- f) A Member of the BMHL's Covid Response Oversight Group Chief Trainer will contact the individual to determine if next steps are being taken, with regards to testing.

### **2.2 When an individual is tested for COVID-19**

- a) Any individual that is part of a hockey program that has been tested for COVID-19, must not participate in hockey activities while waiting for the results of the test and not cannot return to any hockey related activities until a negative test result is received. The BMHL will seek official direction from the SMDHU on this protocol and add further clarity if required.
- b) The BMHL will consult the Online Game Participant Data to inform other participants on the importance of infection prevention and control practices such as hand hygiene, physical distancing, wearing a non-medical face mask, and self-monitoring for symptoms of COVID-19, as soon as possible.
- c) Any BMHL members who were in close contact with the individual and is showing identified symptoms of Covid-19, should consider not participate in hockey activities and should follow public health guidelines. A return to play is not advised until the symptoms cease or until the diagnosis of COVID-19 is ruled out by health professionals.

### **2.3 An individual tests positive for COVID-19**

- a) If an individual tests positive for COVID-19, they should inform a member of the BMHL's Covid Response Oversight Group as soon as possible, via email to [info@barriemenshockey.com](mailto:info@barriemenshockey.com). Contact information numbers for members of the BMHL's Covid Response Oversight Group will also be provided to each team BMHL Team Representative.
- b) The BMHL's Covid Response Oversight Group will work where requested with the facility and public health officials to assist in contact tracing. The Online Game Participant Data may be used to assist public health officials in informing other members, who may have been in close contact with the individual.
- c) Any BMHL members who were in close contact with the individual should not participate in hockey activities for 14 days and should follow public health guidelines regarding self-isolation and testing.
- d) It is recommended to also inform all league division members of a positive COVID-19 result, within the hockey program setting, through BMHL's COVID communication response. The BMHL will inform and work with the facility, in the case of a positive COVID19 result, to determine if any additional cleaning/disinfecting should be performed as per the facility's guidelines or as changes to protocols are required.

### Section 3: Covid Communication Plans

---

The following steps will be taken by the BMHL to ensure effective communication is taking place with all players, officials, and timekeepers – prior to and during all stages of the 2020-21 season:

- 3.1 The BMHL will ensure up to date contact information for all association/team members is on-file and shall ensure that this information is readily available to team representatives to allow for timely communication during urgent situations.
- 3.2 The BMHL will ensure up to date contact information for the leagues Directors, Covid Oversight Group, and team representatives is maintained and easily accessible through the [barriemenshockey.com](http://barriemenshockey.com) website.
- 3.3 A specific Covid-19 section will be established on the BMHL's website, and will include:
  - a) A copy of this plan
  - b) Communication and training materials for all Covid-19 protocols and procedures
  - c) Links to association contact lists, including the Covid-19 Oversight Group
  - d) An archival copy of all communications and update issued to members
- 3.4 The BMHL will utilize a variety of communication channels in order to maximize communication with our members – including email, our website, Twitter, Facebook, Instagram, and other means. All official communications will be shared on the front of the league's website.
- 3.5 The BMHL will seek to establish a regular pattern of communication with our team representatives during the season, to keep them up to date on any developments.

## Section 4: Health Screening and Online Game Participant Data Collection

---

- 4.1 For the purposes of the remainder of this document, "Participant" shall be defined as any player, official, timekeeper, or volunteer who attends a BMHL activity, including anyone who will may have contact with any of the individuals listed during the activity, as well as immediately before or after the activity at the defined facility.
- 4.2 Every Participant, in every BMHL activity, will be required to complete and attest to a Health Screening Questionnaire, as well as pre register for each league activity online within 24 hrs of the start of the activity, and no less than 60 minutes before. A copy of this questionnaire can be found in APPENDIX B of this document. Health Screening Questionnaires must be completed within 24 hours of the start of the activities and must be completed no less than 60 minutes beforehand. **Individuals who have not completed a Health Screening Questionnaire may not participate in any activities – no exceptions will be made.**
- 4.3 Health Screening Questionnaires will be provided electronically, with the Participant's attestation also recorded electronically and provided to the BMHL.
- 4.4 The BMHL will collect the following Online Game Participant Data from every Participant of every BMHL activity where participants will gather in-person:
  - a) Participant Name
  - b) Participant Role (player, timekeeper, official, volunteer, etc, )
  - c) Participant Contact – Phone and Email
  - d) Participant Emergency Contact Name and Phone Number
  - e) Participant Screening Status (If not passed, participant will be sent home)

**Individuals who have not provided the required Session Participant Tracking Data may not participate in any activities – no exceptions will be made.**

In addition to the Participant-provided information listed above, the BMHL will also track the following about each activity:

- f) Team or Group Name/Identifier
  - g) Activity Type
  - h) # of Participants
  - i) Start Time and End Time
  - j) Facility Location, including room
- 4.5 All data collected as defined in this plan, including the Online Game Participant Data defined above, will be maintained in a secure online location, with adequate back-up and resiliency (i.e. Google Drive). All appropriate measures will be employed to ensure the privacy of member's information. This data will only be disclosed to public health officials, as required, by law or emergency order. Members information gathered, for the purposes of the BMHL's Covid-19 response protocols, will not be used for any other purposes or released to any other organizations or individuals.

## **Section 5: Facility Protocols**

---

- 5.1 For the purposes of the remainder of this document, "Participant" shall be defined as any player, timekeeper, official, or other volunteer who attends a BMHL activity, including anyone else who will may have contact with any of the individuals listed during the activity, or immediately before or after the activity at the defined facility.
- 5.2 The facility protocols in this section have been informed by the City of Barrie's "Return to Facility" document, which has been included in APPENDIX A.
- 5.3 No individual will be permitted entry into any facility for the purposes of participating in a BMHL activity unless:
- a) The Participant has electronically completed the Health Screening Questionnaire defined by the BMHL. Paper or verbal copies of this questionnaire will not be accepted. (See Section 4 for more information)
  - b) The participant has electronically provided the required Online Game Participant Data. Paper or verbal versions of this information will not be accepted. (See Section 4 for more information)
  - c) A designated BMHL volunteer has confirmed receipt of the above items and has granted permission to the individual to enter the facility.
- 5.4 The BMHL and each team, shall provide a volunteer who shall act as the designated individual for the purposes of controlling entry into all facilities as described above.
- 5.5 Non-Participants – those individuals not having a role defined as a Participant in this section above, will not be permitted entry into any facility where a BMHL activity is taking place – including spectators. Should Facility protocols change to allow the entry of spectators, the BMHL will amend this section and will advice members according.
- 5.6 All Participants must always follow the direction and instructions of Facility Staff when inside the facility – including any signs, or directional markings posted.

### **5.7 General Facility Protocols**

Participants will always follow all protocols provided by the Facility Operator, including:

- a) Entering and/or exiting facilities, and spaces inside, only through designated/controlled doors
- b) Completing all required screening questions in advance, or as asked upon entry
- c) Wearing a mask at all times when moving through the facility and prior to the start or following the end of any activity (i.e. entering/exiting the ice)
- d) Following any directional markings or arrows on walls, floor or doors and respecting where one-way traffic has been identified
- e) Maintaining minimum physical distancing of 6 feet (2 meters) at all times

## **5.8 Pre-Activity Facility Protocols**

- a) Participants will be permitted to enter the facility only 15 minutes ahead of the start of their activity.
- b) Participants will be escorted from the designated entrance to the area where their activity will take place (i.e. the rink) by their team representative or other designated BMHL volunteer.
- c) Where dressing rooms are used, Participants will limit activity in the dressing room to preparing for their hockey activity – including putting on equipment and skates. Participants will remain in the dressing room until any previous group has vacated the activity area and any adjacent common area, and the Participants are ready to begin their hockey activity. A official or designated volunteer shall direct the players when it is time to leave the dressing room. Players must wear face masks the entire time, until they begin their hockey activity.
- d) Dressing room keys, if used, will be found in the door, left by the previous group.

## **5.9 Activity Facility Protocols**

- a) On-Ice activities will be limited to 30 participants per ice surface – to include all players, timekeepers, and officials.
- b) Participants will only engage in activities which are in accordance with provincial standards requiring physical distancing and approved play.
- c) Social distancing must remain in effect while players are on the bench.

## **5.10 Post-Activity Facility Protocols**

- a) Following the completion of their hockey activity, Participants will exit the activity area, and shall immediately wear a face mask.
- b) Where dressing rooms are used, Participants will proceed immediately to their assigned room. After removing skates and necessary equipment, players will remain in the dressing room until the next group has vacated the adjacent common area and has entered the activity area (i.e. the rink). A official or designated volunteer shall direct the players when it is time to leave the dressing room. Players must wear face masks the entire time, until they begin their hockey activity.
- c) Dressing room keys, if used, must be left in the door for the next group.
- d) Upon exiting the dressing rooms, or the activity area if dressing rooms are not used, Participants must immediately leave the building following the designated paths and exit doors, with no re-entry permitted.

## Section 6: Hockey Season Structure & Activities

6.1 All activities will fully comply with:

- a) All federal, provincial, and municipal laws, regulations, by-laws and orders as they may exist from time to time.

6.2 Only registered members of the BMHL will be permitted to participate in BMHL activities. All participants must sign a waiver (once per registration) indicating that they understand the coverage and limitations associated with the NASHA's Insurance, and agreeing to waive all liability and to hold harmless the BMHL, and Ontario Sports Management Inc., – except in cases of negligence or neglect of duty.

# City of Barrie Ice Use Reopening Protocol

## 1. Overview

Ontario is releasing safety guidelines to protect workers, customers and the general public from COVID-19 as it prepares for a gradual reopening of the provincial economy.

These resources are available for different sectors. They will help employers and workers better understand how to prevent the spread of COVID-19.

Sector guidelines contain recommendations and tips for employers on how to keep workers safe on the job. Posters for both employers and workers also offer advice on preventative actions, including physical distancing and workplace sanitation. Employers are encouraged to download the posters to print and post in the workplace.

As new sectors of the economy begin to reopen, additional COVID-19 workplace safety resources will be added.

Ontario also has general information on [COVID-19 and workplace health and safety](#) . Learn about employers' responsibilities and how to protect workers at work. Workers can get information about health and safety protections at the workplace.

Information on reopening our province is below...

## Return to Play Protocol: Arenas

### Background

The Town of Innisfil (the “Town”), located within the region of the Simcoe Muskoka District Health Unit, entered Phase 3 of the Province’s Reopening Framework on July 17, 2020.

Since the onset of the COVID-19 pandemic, the province and the Town have recognized and endorsed the importance of making recreation and leisure pursuits available to residents in a safe and responsible manner to encourage maintenance of a physically and socially active lifestyle during these unprecedented times. The Town has introduced a number of creative alternatives to in-person recreation and leisure programs, however, with the winter season approaching, the Town has prepared this Return to Play Protocol as part of its Facilities Reopening Plan as a means of re-opening our indoor facilities in safe and responsible ways, endorsed by the province and our local public health unit.

At the end of the day, however, successfully reintroducing indoor activities in a safe and responsible manner rely on the participation of all actors, including leagues, teams, coaches/trainers, players, volunteers and parents. This is why your Permit Agreement now includes a number of additional measures putting the onus on you, your players and coaches/trainers to ensure your own wellbeing and that of your teammates and playmates.

**Please note that, given the ever changing response required to diligently and properly address COVID-19 concerns, this document is subject to change with little to no notice. The Town further reserves the right to cancel or alter ice time permits, as required. Please review the terms of this Protocol as well as your Rental Contract carefully. Updated versions of this Protocol will be posted to the Town’s website. Compliance with this Protocol is a condition of your Permit Agreement. Non-compliance may result in expulsion from the premises and/or cancellation of your Permit Agreement.**

### General Rules

#### Capacity

All persons in the complex and/or facility are required to comply with [O.Reg 364/20](#) and the [plan approved by the Office of the Chief Medical Officer of Health](#), but in no event shall the occupancy/capacity of the Facility (for IRC, Gold Rink and Red Rink are considered separate Facilities) exceed 50 persons maximum. The Permit Holder shall ensure that the number of persons entering the Facility under their permit do not exceed capacity requirements. Rooms, areas, etc. contained in each complex and/or facility are subject to the following occupancy/capacity limits:

	<b>Maximum Capacity</b>
Timekeeper Box	1
Penalty Box	1 per
Dressing Room	*
Team Bench	5 Players/Participants + 2 Coaches/Trainers
Spectator Areas	20

**THE TERMS OF THIS PROTOCOL MAY BE AMENDED AT ANY TIME, WITHOUT NOTICE.  
COMPLIANCE WITH THIS PROTOCOL IS A CONDITION OF YOUR PERMIT AGREEMENT.  
NON-COMPLIANCE MAY RESULT IN IMMEDIATE EXPULSION FROM THE PREMISES AND/OR  
CANCELLATION OF YOUR PERMIT AGREEMENT.**

## Return to Play Protocol: Arenas

\*Each Dressing Room will have occupancy/capacity limits for Players/Participants and Coaches/Trainers posted at their respective entrances. Each booking of 1 hour shall be entitled to a maximum of 4 Dressing Rooms to a maximum of 25 Players/Participants total within the Dressing Rooms.

### Managing Movement

Access to, from and throughout the Facilities will be moderated, with dedicated entrances and exits, as well as movement management plans, all of which will be communicated via this Proposal, signage, etc. **For rentals at IRC, be sure to check your schedules and park in the appropriate parking lot to facilitate ease of access.**

In accordance with the terms and conditions included in your Permit Agreement, Coaches/Trainers, Volunteers, Participants and Spectators will be asked to line up outside the Complex no more than 20 minutes prior to your scheduled ice time. Individuals should wait in their vehicles or in line outside the designated entrance. If in line, individuals must maintain a physical distance of no less than 2m/6ft and be wearing a face covering. Players/Participants are asked to consider arriving in full gear as much as is safely possible to limit the amount of time needed in the Dressing Rooms.

Fifteen minutes prior to your scheduled ice time, teams will be permitted entry to the complex where they will be greeted by Town Staff. Town Staff will then **lock the doors** to the Complex/Facility, following which there will be a 5-minute period to permit Spectators to assist with skate-tying on chairs provided within lobby area. Town Staff will then escort Players/Participants and Coaches/Trainers to their designated Dressing Room. **Make sure your teams arrive on time. No entry/re-entry will be permitted once doors are locked.**

Spectators will then be asked to enter the rink via a dedicated “Spectator Only” Door. Participants/Players and Coaches/Trainers will then be ushered by Town Staff to their assigned Dressing Rooms.

### Hallways in Motion

All hallways, lobbies, etc. in a Facility are subject to the Town’s “Hallways in Motion” strategy. There will be no loitering/sitting/gathering in any public area, other than the designated Spectator Areas and Player/Participant Areas (Dressing Rooms/Team Benches).

### Spectators

Spectators will be asked to remain in the designated Spectator Area for the duration of the rental period, except as required for use of washrooms, or as required in the event of an emergency. At the completion of the rental period (once the final buzzer sounds), Spectators must exit the Facility and/or Complex via the Designated Exit following directional signage/indicators (**not through the Lobby – Please see the Movement Management Plan for further guidance.**)

Spectators will also be subject to the following rules:

- Face Coverings must be worn at all times in the Complex/Facility, in accordance with the Town’s Corporate Face Covering Policy (CP.6.1.11) and the Simcoe Muskoka District Health Unit’s instruction regarding Face Coverings in Public Spaces;

**THE TERMS OF THIS PROTOCOL MAY BE AMENDED AT ANY TIME, WITHOUT NOTICE.  
COMPLIANCE WITH THIS PROTOCOL IS A CONDITION OF YOUR PERMIT AGREEMENT.  
NON-COMPLIANCE MAY RESULT IN IMMEDIATE EXPULSION FROM THE PREMISES AND/OR  
CANCELLATION OF YOUR PERMIT AGREEMENT.**

## Return to Play Protocol: Arenas

- No singing/chanting/cheering/yelling (Clapping and/or noise makers are encouraged as an alternative – Percussion only, such as clappers, etc. Wind instruments, such as horns (including air horns), are not permitted);
- All Spectators must maintain a physical distance of 2m/6ft from others outside of their household or social circle;
- Practice frequent, thorough, and proper hand hygiene before and after each activity or entering a room or area (sanitation stations are provided throughout the Complex/Facility; however, patrons are encouraged to bring their own hand hygiene supplies);
- Refraining, to the extent possible, from touching your eyes, nose, mouth and other parts of your face while in the complex/facility;
- Compliance with the Town's Respectful Recreational User Policy.

### ***Coaches/Trainers and Dressing Room Monitors (Volunteers)***

Coaches/Trainers will be asked to remain with their Players/Participants in their Designated Areas for the duration of the rental period, except as required for use of washrooms, or as required in the event of an emergency. Dressing Room Monitors (Volunteers) may attend at the Spectator Area during the time of play and return to the hallways outside of the Dressing Room area 5 minutes prior to end of the rental period.

At the completion of the rental period (once the final buzzer sounds), Coaches /Trainers will escort their respective Players/Participants off the ice to their designated Dressing Room. Coaches/Trainers and Dressing Room Monitors (Volunteers) must remain in their Designated Waiting Area outside of the Dressing Room until all Players/Participants are prepared to exit. Coaches/Trainers and/or Dressing Room Monitors (Volunteers) will then escort their designated Players/Participants (their "**Dressing Room Cohort**") out of the Complex/Facility following exit directional signage/indicators (**not through the Lobby**). Coaches/Trainers and/or Dressing Room Monitors (Volunteers) will be responsible for ensuring that minor Participants/Players are reunited with their parents/guardians at or outside the designated exit.

**Please Note: Teams will have only 10 minutes to get off the ice and exit the Complex/Facility following the completion of the rental period (final buzzer sound). Coaches/Trainers and Dressing Room Monitors (Volunteers) will be responsible for ensuring that their designated Dressing Room Cohorts exit safely and independently of other cohorts, and that their Players/Participants are wearing face coverings until outside.**

Coaches/Trainers will also be subject to the following rules:

- Face Coverings must be worn at all times in the complex/facility, in accordance with the Town's Corporate Face Covering Policy (CP.6.1.11) and the Simcoe Muskoka District Health Unit's instructions regarding Face Coverings in Public Spaces;

**THE TERMS OF THIS PROTOCOL MAY BE AMENDED AT ANY TIME, WITHOUT NOTICE.  
COMPLIANCE WITH THIS PROTOCOL IS A CONDITION OF YOUR PERMIT AGREEMENT.  
NON-COMPLIANCE MAY RESULT IN IMMEDIATE EXPULSION FROM THE PREMISES AND/OR  
CANCELLATION OF YOUR PERMIT AGREEMENT.**

## Return to Play Protocol: Arenas

- No singing/chanting/cheering/yelling (Clapping and/or noise makers are encouraged as an alternative – Percussion only, such as clappers, etc. Wind instruments, such as horns (including air horns), are not permitted);
- Outside of the Team Bench, all Coaches/Trainers must maintain a physical distance of 2m/6ft from others outside of their household or social circle;
- Practice frequent proper hand hygiene before and after each activity or entering a room or area (sanitation stations are provided throughout the complex and/or facility; however, patrons are encouraged to bring their own hand hygiene supplies);
- Refraining, to the extent possible, from touching your eyes, nose, mouth and other parts of your face while in the complex/facility;
- Compliance with the Town's Respectful Recreational User Policy.

### ***Players/Participants***

Players/Participants will be asked to remain in their Designated Areas for the duration of the rental period, except as required for use of washrooms in their designated Dressing Rooms, or as required in the event of an emergency. At the completion of the rental period (once the final buzzer sounds), Players/Participants will be escorted off the ice by their Coach and to their designated Dressing Room where they will have ten minutes to remove skates/don footwear. Players/Participants must remain in their designated Dressing Room until escorted to an exit by their Coach or Dressing Room Monitor (Volunteer). Once all Players/Participants in a Dressing Room are ready to leave, they will exit together as a Dressing Room Cohort, escorted by their Coach or Dressing Room Monitor to a designated exit following directional signage/indicators **(not through the Lobby – please see the Movement Management Plan for further guidance)**. Participants/Players will exit the complex/facility with their Coaches/Dressing Room Monitors and be reunited with their parents/guardians at or outside the designated Exit.

Players/Participants will also be subject to the following rules:

- Face Coverings must be worn at all times in the Complex/Facility, in accordance with the Town's Corporate Face Covering Policy (CP.6.1.11) and the Simcoe Muskoka District Health Unit's instructions regarding Face Coverings in Public Spaces, unless wearing a hockey helmet from the time they leave the Dressing Room prior to their ice time. **Players/Participants should nonetheless consider face covering alternatives integrated with helmets for their own safety;**
- No singing/chanting/cheering/yelling (Clapping and/or noise makers are encouraged as an alternative – Percussion only, such as clappers, etc. Wind instruments, such as horns (including air horns), are not permitted);
- Outside of the Team Bench, or while in play, all Players/Participants must maintain a physical distance of 2m/6ft from others outside of their household or social circle;
- Practice frequent proper hand hygiene before and after each activity or entering a room or area (sanitation stations are provided throughout the complex and/or facility; however, patrons are encouraged to bring their own hand hygiene supplies);

**THE TERMS OF THIS PROTOCOL MAY BE AMENDED AT ANY TIME, WITHOUT NOTICE.  
COMPLIANCE WITH THIS PROTOCOL IS A CONDITION OF YOUR PERMIT AGREEMENT.  
NON-COMPLIANCE MAY RESULT IN IMMEDIATE EXPULSION FROM THE PREMISES AND/OR  
CANCELLATION OF YOUR PERMIT AGREEMENT.**

## Return to Play Protocol: Arenas

- Refraining, to the extent possible, from touching your eyes, nose, mouth and other parts of your face while in the complex/facility;
- Refraining from use of any and all closed amenities including, but not limited to showers contained in Dressing Rooms, which are not to be used **for any reason**;
- Compliance with the Town's Respectful Recreational User Policy.

### ***Timekeepers***

Timekeepers will enter with the teams 15 minutes before ice time proceeding to the Timekeepers' box via the entry designated in the Facility's Movement Management Plan. Timekeepers are asked to remain in their Designated Areas for the duration of the rental period, except as required for use of washrooms, or as required in the event of an emergency. At the completion of the rental period (once the final buzzer sounds), Timekeepers must exit the Complex/Facility via the Designated Exit (please see the Movement Management Plan for further guidance).

Timekeepers will also be subject to the following rules:

- Face Coverings must be worn at all times in the Complex and/or Facility, in accordance with the Town's Corporate Face Covering Policy (CP.6.1.11) and the Simcoe Muskoka District Health Unit's instructions regarding Face Coverings in Public Spaces;
- No singing/chanting/cheering/yelling (Clapping and/or noise makers are encouraged as an alternative – Percussion only, such as clappers, etc. Wind instruments, such as horns (including air horns), are not permitted);
- Timekeepers must maintain a physical distance of 2m/6ft from others outside of their household or social circle;
- Practice frequent proper hand hygiene before and after each activity or entering a room or area (sanitation stations are provided throughout the complex/facility; however, patrons are encouraged to bring their own hand hygiene supplies);
- Refraining, to the extent possible, from touching your eyes, nose, mouth and other parts of your face while in the complex/facility;
- Compliance with the Town's Respectful Recreational User Policy.

### ***Referees***

Referees will enter with the teams 15 minutes before ice time and before proceeding to their designated Dressing Room, escorted by Town Staff. Referees are asked to remain in their Designated Areas for the duration of the rental period, except as required for use of washrooms, or as required in the event of an emergency. At the completion of the rental period (once the final buzzer sounds), Referees will return to their Designated Dressing Room together. Once everyone in their Dressing Room is ready to leave, Referees will leave the Complex/Facility together as one cohort, following exit directional signage/indicators. Please ensure that you and your Referee cohort have exited the complex/facility within 10 minutes of the completion of the rental period (final buzzer sound).

## Return to Play Protocol: Arenas

Referees will also be subject to the following rules:

- Face Coverings must be worn at all times in the facility, in accordance with the Town's Corporate Face Covering Policy (CP.6.1.11) and the Simcoe Muskoka District Health Unit's instructions regarding Face Coverings in Public Spaces;
- No singing/chanting/cheering/yelling (Noise makers are encouraged as an alternative – Percussion only, such as drums, clappers, etc. Wind instruments, such as horns, are not permitted, with the exception of whistles for Referees and Coaches);
- Except while on the ice surface during play, Referees must maintain a physical distance of 2m/6ft from others outside of their household or social circle;
- Practice frequent proper hand hygiene before and after each activity or entering a room or area (sanitation stations are provided throughout the complex/facility; however, patrons are encouraged to bring their own hand hygiene supplies);
- Refraining, to the extent possible, from touching your eyes, nose, mouth and other parts of your face while in the complex and/or facility;
- Refraining from use of any and all closed amenities including, but not limited to showers contained in Dressing Rooms, which are not to be used **for any reason**;
- Compliance with the Town's Respectful Recreational User Policy.

### Patrons Who Become Symptomatic While at the Facility

- Patrons who become unwell while at the Complex/Facility must immediately don a face covering (if available) and separate themselves from others by going home immediately (if possible), or using the Designated Isolation Room (if necessary). Symptomatic Patrons should, where possible, return home using private transportation, avoiding taxis, ride shares or public transit. Symptomatic persons should seek COVID-19 testing and self-isolate at home until test results are received. You can access an assessment centre in your area by following this link [here](#). If symptoms worsen, it is recommended you seek assessment through your health care provider, by calling 911, or visiting an emergency department, if needed.

**If you have questions related to COVID-19, contact your primary care provider, Telehealth Ontario (1-866-797-000) or visit Ontario's COVID-19 website [here](#).**

### Permit Holder (League/Team) Administration

#### **Active Screening**

- In accordance with the terms and conditions of their Permit Agreement, Permit Holders will be responsible for ensuring that all persons (including Players/Participants, Volunteers, Referees, Timekeepers, Spectators and Coaches/Trainers) attending the Complex and/or Facility under their Permit Agreement are actively screened for symptoms and potential exposure to COVID-19. The Town has implemented an app that Permit Holders must use to

facilitate Screening and Contact Tracing in order to enable quick access to the local health unit where a potential exposure has been identified. Records collected via the Town's app, including Personal Information, will be maintained for 2 months, or longer, as required, and disclosed to public health officials. Ultimately, however, Permit Holders are responsible for ensuring that the following persons are not permitted entry to the Complex and/or Facility:

- Anyone who has tested positive for COVID-19 and who has not been deemed by health authorities to have recovered from COVID-19;
- Anyone who shows symptoms of COVID-19 identified by the Ministry of Health [here](#) or who fails the province's self-assessment questionnaire, found [here](#);
- Anyone who has returned from traveling outside of Canada in the past 14 days; or,
- Anyone who knows or believes that they may have been exposed in the past 14 days to: a person who has symptoms of COVID-19; or a person who has tested positive for COVID-19.

**FAILURE TO COMPLY WITH THE TERMS AND CONDITIONS INCLUDED IN YOUR PERMIT AGREEMENT MAY RESULT IN CANCELLATION OF YOUR PERMIT AGREEMENT AND/OR IMMEDIATE EXPULSION FROM THE PREMISES.**

### *Contact Tracing*

- In accordance with the terms and conditions of their Permit Agreement, Permit Holders will be responsible for taking attendance (including contact information) for persons attending at the Complex/Facility under their Permit Agreement. The Town has implemented an app that Permit Holders must use to facilitate Screening and Contact Tracing in order to enable quick access to the local health unit where a potential exposure has been identified. Records collected via the Town's app, including Personal Information, will be maintained for 2 months, or longer, as required, and disclosed to public health officials.

**FAILURE TO COMPLY WITH THE TERMS AND CONDITIONS INCLUDED IN YOUR PERMIT AGREEMENT MAY RESULT IN CANCELLATION OF YOUR PERMIT AGREEMENT AND/OR IMMEDIATE EXPULSION FROM THE PREMISES.**

### *Bumper Pads*

- League Bumper Pads used for On-Ice corralling are solely the responsibility of the league. Coaches/Trainers shall ensure that any Bumper Pads are disinfected prior to and following each use and returned to their designated storage area.

**THE TERMS OF THIS PROTOCOL MAY BE AMENDED AT ANY TIME, WITHOUT NOTICE.

### Altered Amenities and Services

#### ***Dressing Rooms Will NOT Be Locked***

- In accordance with the plan set out by the Office of the Chief Medical Officer and health guidance, Dressing Room doors will NOT be locked at any time.
- Personal items, such as skate bags and footwear are to be left in the Dressing Room during ice time at the patron's own risk. Any items of value should not be kept in the Dressing Room.

The Town **will not be responsible for any personal items lost and/or stolen from the Dressing Rooms.**

#### ***Town Staff and Staggered Ice Times***

- To eliminate overcrowding and bottlenecks, Town Staff will be on site to guide you and your team through the Complex/Facility at the beginning of your rental period. Town Staff will greet you at the appropriate entrance, orient you and your team to the rules of the Facility. They will then escort you to your team's Dressing Rooms and onto the ice. (Coaches/Trainers and Dressing Room Monitors will be responsible for escorting Dressing Room Cohorts from the Complex/Facility at the end of the rental).
- In order to accommodate cleaning and disinfecting time between permits and avoid crowding, Ice Rental times have been staggered accordingly.
- Rental periods will be limited to one (1) hour only.

#### ***Physical Distancing Measures***

- Each Complex/Facility has a dedicated entrance and exit, as provided on the Movement Management Plan:
  - IRC:
    - The Braley (Gold) Arena will use the main doors to the north of the IRC for entry and the fire exit to the north-west of the ice surface for exit.
    - The Cortellucci (Red) Arena will use the main doors to the south of the IRC for entry and the fire exit to the south-west of the ice surface for exit.
  - Stroud:
    - As indicated in Movement Management Plan
  - South-Innisfil (Lefroy):
    - As indicated in the Movement Management Plan.
- Entry to the Complex/Facility will be restricted to avoid unnecessary loitering (Doors will remain available for exit, only). Town Staff will unlock entrances 15 minutes prior to your rental period to permit access to your team, Coaches/Trainers, Spectators, Referees and Timekeepers.
- The Town has also implemented a "Hallways in Motion" strategy, whereby loitering/congregation in hallways is prohibited, except under emergency circumstances. This

concept will be communicated via signage located throughout the Complex/Facility and via an educational video sent to various stakeholders.

- Signage throughout the Complex/Facility will be installed to encourage physical distancing (ie. physical distancing markers, occupancy limits posted at the entry to washrooms and Dressing Rooms, etc);
- In accordance with the terms and conditions of their Permit Agreement, Permit Holders will be responsible for ensuring compliance with the capacity limits provided earlier in this document.
- In addition, Permit Holders are responsible for ensuring that their Participants and Spectators maintain a physical distance of 2m/6ft at all times.

**FAILURE TO COMPLY WITH THE TERMS AND CONDITIONS INCLUDED IN YOUR PERMIT AGREEMENT MAY RESULT IN CANCELLATION OF YOUR PERMIT AGREEMENT AND/OR IMMEDIATE EXPULSION FROM THE PREMISES.**

### ***Amenity Closures***

- In order to promote physical distancing and appropriate cleaning/sanitation, the following amenities within the Complex/Facility will be closed:
  - Sound Room;
  - Elevator;
  - Water fountains (**touchless bottle filling stations are available; please bring your own bottle, labelled with your name on it**);
  - Showers;
  - Hand Dryers in Washrooms and Dressing Rooms;
  - Vending Machines (drink & food);
  - Concession Stands and Pro Shop (**to be re-opened in latter phases**).

### ***Increased Cleaning and Disinfection***

- The Town uses the Clorox360 Electrostatic Sprayer, a solution approved by Health Canada as a hard surface disinfectant;
- The Town has adopted increased frequency of cleaning and disinfection of all touch points within the facility:

Touch Point	Frequency
Door handles to and from Dressing Room hallway to facility	Between each Rental
Door handles to and from ice rink surface	Between each Rental
Goal	Between each Rental
Touchpoints in and to Penalty Box and Timekeeper Box, including door handles, seats, etc.	Between each Rental
Team Benches	Between each Rental
Dressing Rooms	Between each Rental
